

# Clearguard Armor

## Scratch Resistant Clear Ceramic Nano Coating

(same day service 1 to 4 hours)

Clearguard Armor – is a 2 part space-age state-of-the-art clear protective coating that can take amazing amounts of punishment and still look good. Flexible and shiny clear, Clearguard Armor is like an alien force field protecting your paint up to 10 years.

Clearguard Armor will not yellow or fade offering excellent UV resistance. Clearguard Armor can be applied to your vehicle without leaving tape lines like plastic adhesive films.

Our 2 Part Ceramic Matrix Coating is extremely resilient, durable and super phobic against oils, acids, coffee, wine, dirt, paint, bacteria, molds and water. Our coatings are environmentally harmless and non-toxic, easy to clean using only water, and have a half life of 5 years.

Once cured Clearguard Armor Ceramic increases the surface hardness to that of Tungsten or Titanium, 9 on the hardness scale just one hardness away from diamond . Currently your paint hardness is 2 to 6.

Clearguard Armor designed and formulated by PaintlessScratchRepair.com is a super matrix

No fumes  
Non-Toxic  
Non-Solvent

## Clearly Protects

structure that forms a clear shell coating that protects O.E.M. and aftermarket finishes from rocks, gravel and other road debris like an invisible force field.

**We Put Clearguard Armor Through The Ringer, And We Passed All Rigorous Testing . . .**

Clearguard Armor offers excellent protection from the sun and will not yellow, discolor or become dull after being exposed to harsh weather and sunlight conditions.

Our Space Age Formula passed rigorous UV testing and is guaranteed to never chalk, crack, swell, blister, yellow or discolor.

No matter the job, If the application calls for tough, resilient, chip and scratch resistant protection, then Clearguard Armor is the product to protect your boat, airplane, RV and other vehicles.

When Clearguard Armor liquid ceramic begins to cure, the bonding reaction will turn the liquid ceramic into a transparent ceramic glass protective film, providing protection to the surface for a period of 5 years.

**Space-Age Clearguard Armor Forms A Super Matrix Structure That Protects Your Vehicle With A Clear Shell Under The Harshest Conditions**

**Our 2 Part Ceramic Matrix Coating Will Protect Your Vehicle Paint For 5 Years**

**Dealers wanted - we are too busy... Earn a good living while helping people protect their vehicles. Fun, easy business with a product that people want and need.**
